

Santa Marta; March 12, 2008.

To whom it may concern.

The present is to certify, that the only people with whom the Koguis have established a spiritual alliance in the United States and outside Colombia for the conservation of the environment, and their sacred land is with Koginka Kamaru Xue and the members of Xolar Vibronics Koginka - foundation in process of establishment.

The objectives of this letter are to clarify any misunderstandings and false representations related to the activities of the Koguis and the Gonawindúa Tayrona Organization, to obtain concrete support for the protection of The Sierra Nevada of Santa Marta, the Koguis and for their ancestral knowledge.

The spiritual work the Koguis and the foundations mentioned above are oriented towards establishing a fraternal alliance with the countries of the world and develop activities that address the critical situation of the Earth and the environment.

Signed in Santa Marta, Magdalena, March 12-2008
